

The Georgia Club Foundation sincerely thanks you for your financial support and countless volunteer hours to help make our 2017 year one of the best. You have made it possible to support Book for Keeps, ESP, Food 2 Kids, Boys and Girls Club Winder, Barrow Family Connection, Interfaith Hospitality Network, Adopt A Family, Barrow County Cooperative Benevolent Ministries, College Scholarship Program, Sparrows Nest and The Downtown Academy.

The Georgia Club Foundation and our volunteers have supported annual fundraising efforts such as Casino Night, Charity Golf Classic, Adopt A Family, and our bi-annual Christmas Tour of Homes.

The Georgia Club Foundation Board looks forward to representing you this year. We have listened to suggestions and are making a few changes beginning with the website. Additionally, we are making a change to the benefactors of the Charity Golf Classic Tournament. The Georgia Club Foundation and The Downtown Academy will now share in the funds raised.

Our annual sponsorship drive has started and we would sincerely appreciate your support. Please visit our website at TheGeorgiaClubFoundation.com or contact one of our board members regarding your support.
